## **WHY YOU'RE SO CREATIVE**

Dave Schmelzer

### **Two key biblical insights about creativity:**

1. We're \_\_\_\_\_ creators of some kind, at heart.
2. Within that general creativity of us all, some people get \_\_\_\_\_ in this regard.

### **How might we think about nurturing the creativity God's given us?**

1. \_\_\_\_\_ to create right where you are.
2. Give more attention to your day to day \_\_\_\_\_ than you ever have before.
3. The more \_\_\_\_\_ you receive from God, that much \_\_\_\_\_ will be required.
4. Consider \_\_\_\_\_ as a key part of your creativity plan.
5. Dream of \_\_\_\_\_ culture rather than \_\_\_\_\_ it.
6. Aim to create out of \_\_\_\_\_ rather than \_\_\_\_\_.
7. Get the \_\_\_\_\_ and \_\_\_\_\_ you need.
